12th FENS Forum of Neuroscience

11-15 July 2020 | Glasgow, UK

Organised by the Federation of European Neuroscience Societies (FENS)

Hosted by The British Neuroscience Association (BNA)

With more than 7,000 attendees, the FENS Forum of Neuroscience is Europe's largest international neuroscience meeting.

The Forum scientific programme covers all domains in modern brain research. With 56 parallel symposia, 20 plenary and special lectures and more than 3,500 abstracts, the FENS Forum covers neuroscience from basic to translational research.
