

## NEUROSCIENCE CAREER PATHS

Monday, 13 July 2020, 12:15-13:30

FENS Forum 2020, Glasgow, UK

### Programme

This interactive Special Interest Event allows you as FENS Forum participant to meet with representatives from business, industry and public sectors, all with a neuroscience background. The speakers will share with you how their neuroscience background contributed to their career-paths.

Following the event, the speakers will be available to answer your questions in an informal setting within the Forum career and training area from 14:30-15:30. This event will be followed by the FENS Job fair from 15:30 – 17:30.
