

Organizer	Session Title	Viewing Format	Available to view from	Start Time
ALBA Network	The Women in Neuroscience Repository (WinRepo)	On demand	Saturday	8:00
Bio-Techne	Spatially map gene expression and genetic variants in the nervous system with the RNAscope technology	On demand	Saturday	8:00
Harvard Apparatus / Multi Channel Systems / HEKA Elektronik / Warner Instruments	Preclinical Electrophysiology, Fluidics and Surgical Solutions	On demand	Saturday	8:00
Data Sciences International (DSI) / Panlab / Coulbourn Instruments	Comprehensive Preclinical Assessment Through Combined Physiology and Behavioral Evaluation	On demand	Saturday	8:00
Thermo Fisher Scientific	Assessment of Chemical Effects on Developmental Neurotoxicity Using High-Content Analysis	On demand	Saturday	8:00
Neuroscience in Germany	Research and Funding Opportunities in Germany	On demand	Saturday	8:00
StressMarq Biosciences	Fibrillar and oligomeric constructs for neurodegenerative disease modelling	On demand	Saturday	8:00
Miltenyi Biotec	Whole brain imaging at subcellular resolution – introducing the UltraMicroscope	On demand	Saturday	8:00
Bruker	Multiphoton & Photostimulation Imaging with Ultima 2Pplus	On demand	Saturday	8:00
Femtronics	Ultrafast, real-time 3D multiphoton imaging and photostimulation during behavior	On demand	Saturday	8:00
Merck	Multiplex immunoassay detection of Alzheimer's disease biomarkers in cerebrospinal fluid, plasma, and urine	On demand	Saturday	8:00
Elsevier	An address from Daniela Georgescu, Elsevier Publishing Director, Neuroscience on: Open Access Strategies	On demand	Saturday	8:00
Jackson ImmunoResearch	Effective multiple labeling - Principles and best practice	On demand	Saturday	8:00
Stemcell Technologies	Differentiating and Characterizing PSC-derived Microglia	On demand	Saturday	8:00
Neuroscience in Germany	Research and Funding Opportunities in Germany	On demand	Saturday	8:00
ZEISS Research Microscopy Solutions	Lightsheet 7: Discover a new light sheet microscope for Multiview imaging of living and cleared specimens	On demand	Saturday	8:00
FKNE	Announcement of the FKNE PhD Thesis Prize 2020 winner	Scheduled On demand	Sunday	8:00
FENS Session	Neuroscience Outreach	Scheduled On demand	Sunday	10:30
Consortium for Public Outreach on Animal Research	The Consortium for Public Outreach on Animal Research	Scheduled On demand	Sunday	10:30
ALBA 1	ALBA Network Live Talk: When does a young girl learn she must compromise her dreams? an Indian perspective	Live Zoom Webinar	Sunday	10:30
CHET	Meet CHET: Mobility and Training after COVID-19	Live Zoom Webinar	Sunday	11:00
FKNE 1	Meet FKNE: Introduction to the FENS-Kavli Network	Live Zoom Webinar	Sunday	14:45
EJN - Wiley	Hear what the new EJN Senior Editors have to say on Research, Publishing and the Future of Neuroscience followed with live discussion with the European Journal of Neuroscience Editors	Scheduled on demand with Live QA	Sunday	14:45
FKNE 2	Perspectives on Science Communication and Advocacy during COVID-19	Live Zoom Webinar	Sunday	15:30
ALBA-FKNE	Announcement of the ALBA-FKNE Diversity Prize 2020 winner	Scheduled On demand	Monday	8:00
EBC	The European Brain Research Area: promoting and enhancing collaboration in brain research	Scheduled on demand with live QA	Monday	10:30
ALBA 5 Network Talk:	Gender in Neuroscience: European specific challenges & solutions	Scheduled on demand	Monday	10:30
Job Market	FENS Job Market	Scheduled on demand	Monday	14:30
Malcolm Love	God's, Boffins and Dr Strangelove	Scheduled on demand live QA	Monday	14:30
History Committee 1	Global Brain Museum	Scheduled on demand	Monday	14:30
History Committee 2	Exhibition of Cajal drawings	Scheduled on demand	Monday	14:30
ALBA 3	Meet the ALBA Network Ambassadors	Live Zoom Webinar	Monday	15:30
FKNE	Announcement of the FKNE Mentoring Prize 2020 winner	Scheduled on demand	Tuesday	8:00
ALBA 4	ALBA Network Talk: The tightrope walk in juggling parenthood and academia	Scheduled on demand	Tuesday	10:30
ALBA 6 Network Talk:	ALBA Network Talk: Community leadership: women are more focused on building community and teams	Scheduled on demand	Tuesday	10:30
ALBA 2	Meet the ALBA Network Ambassadors	Live Zoom Webinar	Tuesday	11:30
Crosswalk films	Short Film on Muming Poo	Pre recorded intro with on demand video	Tuesday	14:30
Cajal Embroidery Project	Cajal Embroidery Project	Scheduled on demand	Wednesday	10:30
